LOST & FOUND PROTOCOL.

PLEASE check for your lost items each day. Please leave a brief description of the item and a cell phone at which you can be reached. We will call YOU if the item turns up before you check again. PLEASE TURN THINGS IN PROMPTLY IF THEY ARE NOT YOURS. A field marshal will assist in calling for pickup if you can not carry it to the tent or prefer not to. We are still missing some lost items and would really love to match them to their owners before the tournament is over. Thanks!
