

Pacesetter Parental Code of Conduct

I will be supportive of my player, his/her teammates, and the coach. I will only make positive comments during training or games. I will not speak disparagingly about other players in front of my child.

I will allow the coach to do his/her job without interference. I will not coach my child (or other players) from the sidelines. If I have a concern over decisions made by the coach, I will not complain to other parents nor will I approach the coach to discuss the matter immediately after a game or training session when emotions may run high. I will call the coach after a cooling off period and make an appointment to privately discuss my concerns.

If after speaking with the coach I am not satisfied with the outcome, I will speak to the Director of Coaching for the appropriate age group. If questions or concerns persist, I understand that I may contact the Executive Director of Coaching and ultimately members of the Coaching Committee.

I will respect the referees and their decisions. I will not criticize, yell at, or approach them.

I will respect our opponents and their parents. I will only make positive comments to or about opposing players. I will interact with the parents in a positive way that reflects well on the team and the club. I will not argue or respond to inflammatory conduct from other parents.

I will keep youth sports in perspective. I understand the Mission Statement of the club is to develop individual and team soccer skills to each youth's fullest potential. I will be supportive regardless of the results of a game. Sometimes more can be learned from losing than winning.

I understand that I am a representative of the Pacesetter Soccer Club and will show good sportsmanship.

I will encourage other members of my family to follow this Code of Conduct.

I understand that membership in the Pacesetter Soccer Club requires my compliance with this code of conduct and failure to do so will hold me subject to the disciplinary measures contained in the Parent Handbook.

I have read and understand membership in the Pacesetter Soccer Club requires my compliance with the Code of Conduct and failure to do so will hold me subject to the disciplinary measures contained in the Parent Handbook.
